

Remote Offering Methods at Redeemer

U.S. Mail

Sending an offering through the mail may be the simplest way to give remotely. Just send your check to the address below and don't forget to include your offering envelope number.

Redeemer Lutheran Church
510 Lindberg Road
West Lafayette, IN 47906

Electronic Banking

Setting up offerings through your online banking account may not be a method you've considered before. Many of us use online "bill pay" through our banks or credit unions for utilities and credit card bills, but haven't thought of using it to make offerings.

You should be able to set up Redeemer Lutheran Church as a "company" or charity within your list of other "bill pay" recipients and then schedule regular offerings. Since banks don't usually charge for this service, it can be a convenient way of giving to Redeemer without additional expense. If you do this, please remember to include your offering envelope number while you're setting up Redeemer as a recipient.

Givelify

Givelify is a mobile giving application that allows Redeemer to accept offerings anytime, from anywhere. It provides an easy giving experience using your smartphone. It's free* to download and use. It's safe and secure, and for tax time you have one-tap access to your donation records.

If you prefer to give an offering through a web site rather than through a smartphone app, you may use this secure web address specifically for Redeemer: <https://giv.li/x74tj5>

Givelify provides the ability to easily make offerings to special categories of your choice. Recurring offerings are also straightforward to set up, so you never have to wonder if you've made an offering each week.

Want to see how it works? [Watch the demonstration video](#) that shows you all about how to make and track donations.

When you're ready to download the app and sign-up, [watch these instructions](#) and then download the Givelify app for [Android](#) or [iPhone](#).

*Note that although Givelify is free to download and use, 2.9% + \$0.30 of your offering amount goes to Givelify fees. Your entire offering amount is considered a charitable donation to Redeemer.
